

sprout

WIELAND
healthcare

designed to foster a child's imagination

Creating a fun, safe environment for kids is child's play. Sprout offers solutions for any area where little ones gather. With playful and inviting shapes, sizes, and finishes to choose from, this collection is your playground.

highlights

- sprout tables and stools are available with flat PVC or wood grain edges in several colors
- tables offered in square or kidney shape
- coordinating kidney-shaped stools available for a complete grouping
- laminate tops with steel legs provide the ultimate in strength and durability
